ADMINISTRATION AND FACULTY

THE PRESIDENT'S MESSAGE

For more than a hundred years history has been in the making at Monmouth College. One yearbook after another has told the fascinating story. This book is a record of a very important year in the life of all portrayed within these pages. It tells of achievements, successes, failures. The discerning eye is able to see evidences of growth in students' attitudes and ideas; romance, social living and friendly fellowship are all an important part of the record.

The enduring qualities of the book are to be found in the faculty to whom successive student generations owe a tremendous debt. Lectures, laboratories, classroom discussions, seminars, chapels, personal counseling, social contacts, and quiet moments of heart-searching create memories that time can never erase.

We are proud of the small Christian college and the contribution which it continues to make to our American life. Monmouth is glad to belong to this noble company. It is a privilege to serve such an institution and to have a small part in maintaining an atmosphere of learning where facts and fancies are being evaluated, where horizons are being lifted and where new doors of opportunity are constantly opening.

FRESHMAN WEEK

The spirit of many high schools — from Japan to Buffalo, N. Y. — intermingled in the strains of "All Hail to Monmouth" as the frosh entered the whirl of Freshman Week. Aching legs after the Walkout — new faces at the tennis court dance — the traditional Watermelon Bust — introduction to the one and only Gracie — panic at Wallace as another frosh forgot his plaid hat — the watchful eye of FRC — first taste of dorm life — bewilderment of registration — and finally a sense of belonging as Freshman Week came to a close.

COLLEGE CHOIR

Traveling as far west as Tulsa and as far east as Pittsburgh, the Monmouth College Choir has not only brought fame upon itself but to the college as well through its perfected singing, wide-ranging program, and its gracious manner of conducting itself. The same choir not only takes these ground-covering trips, but also performs on such occasions as vespers, Baccalaureate, and Commencement. The choir consists of mixed voices, led their harmonious way by James Dunn.

The Chorale — sixteen voices who present the three weekly chapel services. This select group is chosen from the choir and, besides singing for chapel, they present special programs for outside groups. This year the Chorale went West on their own tour. Under the direction of Mr. Dunn, the group has come to be a fine representative of Monmouth's ideals.

VOICE OF THE CLAN

RALPH STEVENSON, *Editor-in-Chief.*

On Saturday mornings, MC students take time out from their busy schedules to read the week's events in the Oracle, the student newspaper. This student publication is issued weekly, thanks to the excellent leadership of Ralph Stevenson, editor, and his competent staff. "The Voice of the Clan," in addition to reporting Monmouth highlights, carefully presents opinions from both students and faculty; and, in general, helps to create a "spirit of Monmouth" and adds to the enjoyment of the students and faculty as well.

"M" CLUB

The he-man organization of Monmouth—the "M" Club—is comprised of men who have won letters for athletic prowess in football, baseball, track, basketball, tennis, or swimming. The Club sells refreshments at games, publishes athletic programs, sponsors an Athletic Scholarship, and promotes a greater interest in sports among the student body.

The girls with the red crested sweaters — those 25 enthusiastic members of Pep Club. The purpose of the organization is to promote a stronger feeling of school spirit among the members of the student body. CHEERLEADERS

Let's have 'With an M' and really yell!! The Scotch plaid really shows up as the six MC cheerleaders, in their traditional skirts, lead the pep club and student body in a rousing pep rally; or, it may be at a game cheering the Scots on to the top. But wherever those six gals get together there is plenty of pep and enthusiasm to support the Fighting Scots.

FOOTBALL

The fighting Scots charged onto the field to play Ripon as the 1956 football season opened. Ably coached by "Jelly" Robinson, Chuck Larson, and Ken Gould, hopes were high but due to a lack of depth and manpower, Monmouth's football record doesn't appear impressive. Yet, scores cannot tell the entire story. There were exciting moments — when Bob McKee made his spectacular play against Cornell — and there were outstanding players — Dean Fischer, second ranking in rushing in the nation until his injury in mid-season; Bob McKee, unanimous choice for all-conference end; Don McBride, selected for the second team of the all-conference squad; and Dick Webb, who received honorable mention.

With eighteen returning lettermen and a promising freshman squad, Monmouth's potentialities are sure to be revealed in its scores next year.

The Fighting Scots and their coach Chuck Larson have really given the MC student body something to cheer about this year. Agility in maneuvering the ball and accuracy in free throws have put Monmouth in the place of Midwest Conference Co-Champions. Though defeated in the NCAA Tournament by the University of South Dakota, the Scots played a wonderful season.

Although all the games teemed with excitement, the highlight of this year's play was the traditional Knox game in Galesburg. The lead tallied back and forth across the scoreboard, and as the final gun was sounded, Monmouth emerged victorious. Poor old Siwash!! Supported by a sense of sportsmanship, fair play and an enthusiastic student body, the Monmouth basketball team has made itself one of the most respected teams in the conference.

WRESTLING

The Scot matmen did not quite live up to this year's hopes. At the close of the season, Monmouth's wrestling team had tied with Knox College for seventh place. However, with several returning lettermen, and an increasing spectator interest in the sport, the prospects for next year in wrestling are bright.

Row 1: Syrett, J. McBride, Lavine, Bob McKee, D. Brown, Beale, Webb. Row 2: Tait, Dollinger, Reid, Sanford, Bush, E. Phillips, J. McBride, Mell, D. Cook, Gould.

BASEBALL

Monmouth's 1956 baseball team came up with quite a good record: 7 won and 3 tied and 1 lost. Interesting scores of the season were a 16 inning tie game with Knox in mid-season and a final 17-16 game at Augustana.

With 7 returning lettermen the 57 team's prospects look bright. Hitting and pitching are weak, but can be improved. The Southern Division teams all seem well balanced, but we hope M.C. will be batting against the Northern Division in the Midwest Conference Play-offs.

The freshmen prospects against Knox seem very good.

TENNIS

Coach Don Turner and Monmouth's fighting Scots, under the captaincy of Don Buchanan, wound up their tennis season last year with a comparatively poor record in that they won only three of their nine games. This year the team was coached by Bobby Woll, and contained almost as many new faces as returning men. These fighting Scotsmen went out to try their very best to offset the disappointing record of last year and to improve Monmouth's position in the Mid-West conference.

Row 1: B. Wendling, Gilles, Wetzel, Richter. Row 2: Bowen, Lindell, Sloan, J. Johnson.

Row 1: J. Thompson, Poor, L. Dobbins. Row 2: Woll, P. Johnson, McGann, Meyer.

GOLF

Monmouth's golf team of last year, ably coached by Bobby Woll, experienced a very discouraging season as it found itself dragging behind in seventh position in the conference. Meanwhile, chief rival, Knox College, had succeeded in holding first place. With a few returning lettermen, it is hoped that the 1957 season will be a more successful one.

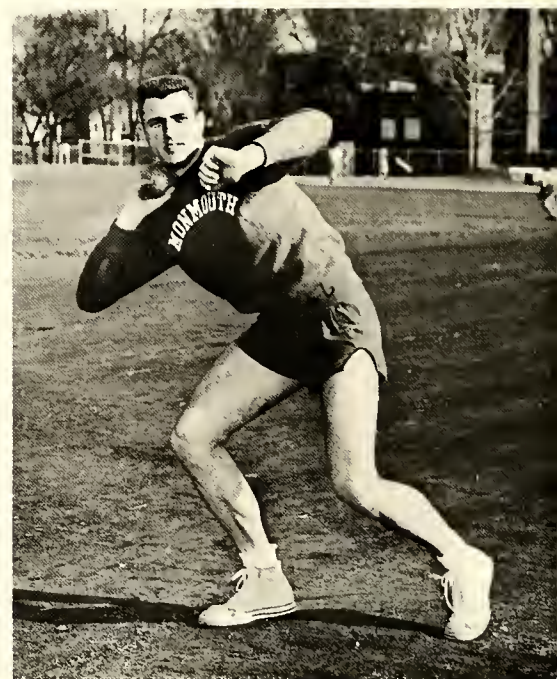

Row 1: B. Johnson, C. Doty, Brawdy, Guelle, Sandburg. Row 2: Robinson, Richard, Honath, Hartmann, McKee, Baumann, Fletcher. Row 3: J. Johnson, Cook, Rilott, Yarde, Robertson, Runyan, Larson.

VARSITY SQUAD

TRACK TEAMS

Last year's track team under the guidance of Coach "Jelly" Robinson and Captain Ron Williams, concluded their successful 1956 season by achieving second place in the conference. Winning the annual Mid-West Conference meet, Monmouth was topped only by Grinnell in the race for first place.

Although their scores do not show it, the freshman squad developed several capable athletes in the field of track. With the combination of both teams, there should be a well-qualified group of lettermen to represent Monmouth College on the track field this season.

FRESHMAN SQUAD

Row 1: Robinson, Acherman, Wilker, O'Brien, Baue. Row 2: Anderson, Renwick, McCullough, Sanders, Larson.

CROSS COUNTRY

With an excellent squad of returning lettermen, Monmouth's cross country team of this year finished third in the Mid-West Conference. Under the skilled coaching of Archie Harris, this year's team was one of great abilities. Although several outstanding members of the team will be lost through graduation, prospects for next year seem bright. There are capable athletes ready to take over the leadership of next year's squad. Although the freshman team did not compete favorable with Grinnell in its only match of the season, many of its members also show promising ability.

Row 1: Richards, Brawdy, Baumann, Harris, Graham, Gibson. Row 2: Fuller, Hill, Cozine, Runyan, Doty.

LORRAINE AZDELL

Always ready with a cup of hot coffee are Mrs. Azdell and her staff in the Student Union. This staff in connection with a student committee controls the operation of the social center of the college. Used not only for recreational purposes, the Union is also the scene of organizational meetings, dinners, and various civic projects.

“How about a coke in the Union?” — gathering-place of the clan — late breakfast spot — endless hours of bridge — “Skittles” and pingpong on a winter afternoon — rowdy music on the jukebox — cigarette and a coke between classes — last-minute cramming for exams — plaid-topped tables — TV on Sunday nights — conversation over coffee, from summarizing the Suez situation to hashing over weekend dates — as Unionology has become a major science at M. C. “Come on, gang, let’s head for the Union!”

RETURN OF THE SCOTS

"And first of all we'll always be" . . . the clan turned out en mass to greet the returning victorious Scots. After defeating Ripon to win a first place tie the team was escorted home by a motor cavalcade and was greeted with an all school pep rally. Spirit and enthusiasm ran high as Coach Chuck Larson spoke for his team. President Gibson added his congratulations by declaring the following Monday a holiday. A special pep band provided music as cheers and songs rang in the air. The season was one filled with breath-taking plays, tense moments, and unusual spirit. All was culminated as the whole of Monmouth College burst with pride . . . "All hail to Monmouth."

BROTHERHOOD WEEK

Brotherhood week was noticed by the presence on campus of the Knoxville Double Quartet from Knoxville College in Tennessee. In addition to presenting a double chapel program, these students also participated in a panel discussion on various phases of brotherhood.

Other programs presented during this week were: taking of surveys concerning religion, politics, etc.; a discussion meeting in Grier; the entertainment of some of the service staff on campus; and Discrimination Day in the union.

RELIGION IN ACTION

RELIGIOUS EMPHASIS WEEK

One of the highlights of the school year was the annual Religious Emphasis Week. This year it was excellently lead by Dr. Addison Leitch, president of the Pittsburgh-Xenia Seminary in Pittsburgh, Pennsylvania. His messages inspired the student body, and in general contributed to a successful week.

PAN HELLENIC

Pan Hellenic Council is composed of two members of each sorority on campus and serves to link the four groups together. At weekly meetings the council settles on such issues as rules for Marshall Hall, social problems, and rushing regulations. The council also sponsors such events as the Bake Sale, Work Days to redecorate the basement of Marshall, and service projects at the Warren County Home.

INTER-FRATERNITY COUNCIL

The Interfraternity Council functions much the same as the Pan Hellenic Council, the two representatives from each fraternity meeting with Dean Ketterer to iron out mutual problems. Unified rushing regulations and consideration are the objectives of the Council. Together with Pan Hellenic, the Council plans the annual "sing" in the spring.

The honorary was founded in 1928 for the purpose of binding together the different social organizations on campus and to promote campus tradition. While membership is kept secret, the familiar octopus signs are evidences of the group's activities; Octopus also sponsors the Carousel during Christmas vacation.
